2. Tender should be superscribed as "*Tender for the preparation and supply of Dhuma Metre Gauge Sleepers*" and accompanied by a deposit of Rs 200 in Currency Notes. The rates should be distinctly and clearly noted both in words as well as in figures in the tenders.

3. Final acceptance or otherwise of any lowest or any other tender rests with the Conservator of Forests, Shimoga Circle, Shimoga, who does not bind himself to accept or reject any lower or other tender without assigning any reasons therefor.

4. Payment will be made only on the sleepers delivered at places as noted above, on presentation of bills along with the receipts of the Officer who takes delivery of the sleepers. All bills must be submitted through the Range Forest Officers of Sagar and Nagar Ranges as the case may be, and no direct payment will be made. The passing of sleepers will be done in the Forests by the Range Forest Officers concerned or by any other Officers deputed by the District Forest Officer. No payment will be made on rejections of sleepers over *ten per cent* in the aggregate at the place of delivery."

5. "The Contractors should collect and prepare sleepers from out of the trees assigned by the Range Forest Officers concerned."

6. The successful tenderers will be required to execute an agreement within a fortnight from the date of receipt of the intimation of acceptance of the tender, after furnishing a security deposit of Rs. 500 for the due fulfilment of the contract, failing which the earnest money paid will be forfeited and the contract cancelled.

7. The sleepers should be supplied by the end of May 1949 in proportion during each month as per instructions of the District Forest Officer, from time to time. It should be distinctly understood that no extension of time under any circumstances will be granted. Failure on the part of the contractor to supply the sleepers as above entails forfeiture of the whole or such portion of the Security as the District Forest Officer deems fit.

8. It should be clearly understood that supply of petrol for lorries for transport of sleepers cannot be guaranteed and that the inadequacy of petrol will not be accepted as an excuse for default in transport of the allotted quantity of sleepers. The Contractor should make his own arrangements to transport the sleepers either by bullock-carts or by gas driven lorries or by any other means.

9. The other conditions are as usual.
